MARYSVILLE
VIKING FOR 1965

OUR SCANDANAVIAN GIRLS

Our two exchange students have come to us from the Scandinavian countries of Sweden and Finland.

Lena Stadell is the daughter of Mr. and Mrs. Anders Stadell. She has one brother, Per, who is fourteen years old. Their home is in Avesta, Sweden. Lena's American parents are Mr. and Mrs. Melton J. Lenk. Sandy Lenk, senior '65, is her American sister.

Lena's future plans include two more years of high school in Sweden and attendance at a university in Stockholm. She will study to become a social-curator.

The comment Lena gave is, "My year in Marysville has been a wonderful experience, and all of you have really given me a good impression of the American people. I wish more teenagers could be given the opportunity to be exchange students because I believe it is a very good way to create understanding between countries."

Maija Linna, from Tampere, Finland, is the daughter of Mr. and Mrs. Kyosti Linna. She has three sisters and two brothers; Harri is Maija's twin brother. Maija is now living with Mr. and Mrs. Cecil Darby. Her American sister is Linda Darby, class of '65.

When she returns to Finland, Maija will complete two more years of high school. Then she will attend either the university in Helsinki or a college in Tampere. She would like to become a gym teacher.

Maija's comment to the students is, "I can never tell how glad I am that I could come here to Marysville. I have had a wonderful year, and I have learned very much about American people. I hope, as does Lena, that more teenagers can go to other countries, because it is the best way to understand differences between people."

Activities are "Doing"

Activities are "Doing"

We learn much by observation. We learn

an even more important lesson by "doing".

The many and varied activities of M.H.S.

provide us with numerous opportunities to

"do".

By reason of arduous, self-disciplined

labor, coupled with a driving determination

to excel, one learns the invaluable lesson

of what it takes to be a success.

No man, much less a computer, can

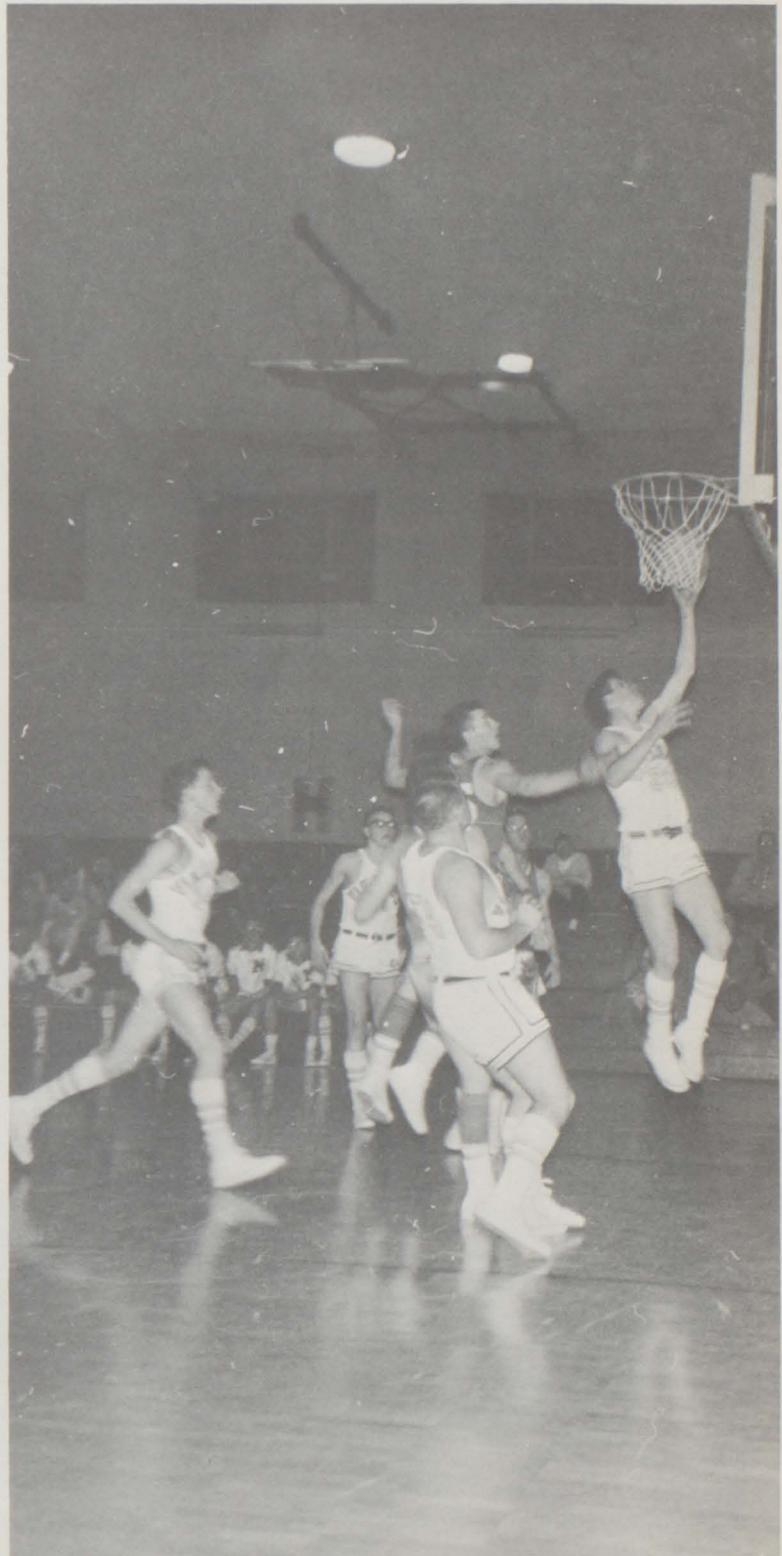

weigh the inner quality which by reason of

its intensity always characterizes the true

champion and even enables men of other-

wise modest, natural talent to rise to a

pinnacle of achievement.

The student council is the link between the students and the faculty. The council arranges assemblies, sets up the dance schedule, arranges for exchange students, organizes the homecoming, solicits for the yearbook and distributes it, sells popcorn at the games, is in charge of underclassmen's pictures, and also does many other things behind the scenes. Behind the leadership of President Constance McNichol the council this year compiled a long list of accomplishments.

Finally doing their job.

Homecoming Court

On September 25, Gail Ortmann, Senior Class Secretary, was crowned Homecoming Queen for 1964. Reigning on her birthday, Queen Gail looked lovely. Her attractive

attendants were Seniors Donna Graham and Mary Ann Smith; Junior Linda Hebert; and Sophomore Carrie Copony.

"Onions in the Stew"

What's the big attraction?

Behind the Scenes

Put my daughter down, sailor!

Oh, these kids!

You don't care about my complexion!

It looks (gulp) beautiful.

I think you forgot something.

Down, boys!

Just normal children with no inhibitions.

Plumbers, Incorporated.

Come a little bit closer.

My first orchid!

Before the curtain opens.

Now its taking a turn for Japan.

The Senior Class presented the three-act comedy "Onions in the Stew" by Betty MacDonald on November 20, 1964. The play was well attended and the audience responded very favorably to the acting talents of the cast members. The directing and casting of the play was capably handled by Miss Mary TenPas, language and speech teacher. The many committees, required to produce an outstanding play, did an excellent job.

The play depicted the humorous hazards of life on a desolate island. Being snowbound, drowning in company, and invaded by yellow jackets mentions only a few circumstances the MacDonald family met on Vashon Island.

The perfect ending.

Marysville posted a season record of 2-5-1 in football, but statistics fail to tell anything but won-lost records. The Vikings this year were full of spirit and fight and they gave their all in every game.

Although Marysville could not seem to move the ball, they showed the deeper, more lasting and important benefits from sports — fair play and good sportsmanship. The Vikings played clean, hard-nosed football and rarely displayed rough or unfair play. We can be proud of our boys — they are still our champs!

It's ours!

Some of the novice debaters.

Debate is more than a haphazard argument, as the members of our debate team can tell you. Participation in debate requires reading, organizing, thinking, and speaking by both the affirmative team, arguing in favor of the proposition, and the negative team, arguing against the proposition. The proposition for this year was "Resolved that nuclear weapons should be controlled by an international organization."

In competition in the Blue Water Forensic League, the M.H.S. debate team finished in second place and has a trophy to show for their fine 11-5 record. They also participated in tournaments, debating some of the best high school debate teams in the state.

Participation in debate is a lot of work; it is sometimes disappointing, often rewarding and satisfying, but always a learning experience for those students taking part.

Each Friday the students eagerly await the distribution of our school paper. Time and effort are what it takes to produce the Amplifier. Under the direction of Miss Vivian, Advisor, and Linda Dell, Editor-in-chief, the staff has done an excellent job this year. They have kept the students of MHS well informed as to the happenings in and around the school.

The Nightingale Pledge

I solemnly Pledge Myself Before God
and in the Presence of this Assembly:
To pass my life in purity and to practice my
profession faithfully.
I will abstain from whatever is deleterious
and mischievous, and will not take or
knowingly administer any harmful drug.
I will do all in my power to maintain
and elevate the standard of my profession, and
will hold in confidence all personal matters
committed to my keeping, and all family affairs
coming to my knowledge in the practice of my profession.
With loyalty will I endeavor to aid the
physician in his work, and devote myself to the
welfare of those committed to my care.

Frozen members at launching.

Liftoff!

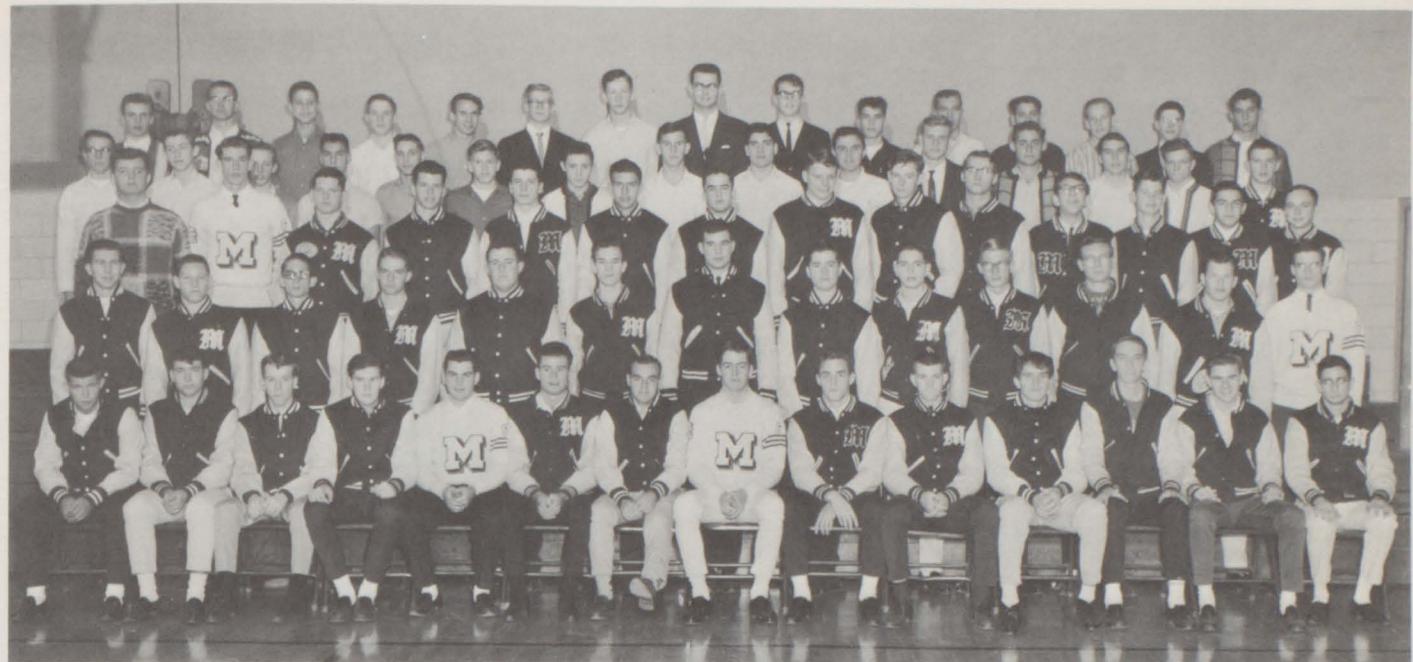

The high point for the Science Club this year was the launching of a rocket on January 23. Ten members and several spectators braved icy temperatures to attend the launching. The launching itself was a mild success. The rocket lifted off the pad at approximately 3:30 and rose to a height of four hundred feet. By means of a device in the nose cone, the members measured a force of six g's at launch. The nose cone was recovered intact.

This season the victorious Vikings captured the St. Clair Area League title. The Vikings rolled over 12 league opponents, losing only to St. Clair and Port Huron Catholic! The team also won three non-league games and finished the regular season with a fine 15-2 record. With the three top scorers (Tom Quinlan, Jay Weymouth, and Ron Goodin) all returning next year, Marysville should have an excellent chance at another championship.

The powerful Junior Varsity team combined fine ball control and excellent shooting to bring themselves and Marysville High an undefeated year. Under the able leadership of Coach Pake they overwhelmed their opponents.

High individual scorers were Denny Weymouth, Steve Plunkitt, and Don Wilson. Steve Plunkitt was also the top rebounder.

With talent like this moving up to the Varsity, we should indeed have superb teams in the future. Our hats are off to Coach Pake and the J. V. Viking Squad!

Viking Staff

Standing; Dave Garrett; Pete Chalifoux; Connie McNichol; Marshall Grimm; Mr. Collard, Advisor. Sitting: Gail

Schlinkert; Rob Brunger; Jane Neal; Karren Deneff, Editor; Bev Butler; Grace Eastman.

"Hardworking Sophs"

"Busy, Grace?"

"Planning a layout"

"Editor-in-Chief"

"Seniors at work"

"Mr. Collard, were your glasses slipping?"

The stage was set
for the best yearbook yet.
Advisor and Editor
got the Staff together.
They worked and they planned
the layout of the span
of the yearbook for '65.

After school each night,
Room 201 reached its height,
for busy with typewriter, paper, and pen,
were the '65 staff's diligent ten.
Deadlines always had to be met,
but were usually preceded by all sorts of fret.
Until at last, the book was completed
comprised of the efforts of those who succeeded
to make this year remembered by all
whether it be summer, spring, winter, or fall.
And so, the year has ended
and the staff's work is done,
but the finished product
will be exceeded by none.

Spring Forensics

First row: Gail Schlinkert; Carrie Copony; Wanda Campbell; Kathy Merchant; Nancy Neal; Constance McNichol. Second row: Robbie Bier; Mary Bennett; Jane Neal; Miss Ten Pas, Advisor; Sandy Lenk; Karren Deneff; Skip Kapanka. Third row: Frank Yon; Harold Perry; Carl Decator; Art Butler; Bill Saunders; Gib Heim.

Spring Forensics is an activity which may be enjoyed by anyone willing to give up much time and energy. There are five fields in which a student may enter: interpretive reading, interpreting an author's work with feeling; oration, writing and memorizing one's own speech; humorous reading, reading a selection with humor; extemporaneous speaking, preparing yourself on a certain topic, then writing a speech on that topic in one hour; and, declamation, memorizing a speech.

Director

"His clothes are carelessly tweedy all right."

"I have muscles!"

"What's up?"

The play could not have been the success that it was if it had not been for the many behind-the-scene workers. The committees, under the direction of Mrs. Bellow, worked just as hard as the cast, and they deserve much credit.

"Uhh, Those pants."

"All because their . . ."

On March 26, 1965, the juniors presented their class play, "We Shook the Family Tree". It was produced under the fine supervision of Miss Mary TenPas, Director; and Tom Smith, Student Director.

The Mighty M.H.S. Track and Field Team

Front row: Robert Brunger, Bob Cataldo, Gerald Eagan, Phil Zalewski, Back row: Tom D'Arcy, Greg Mills, Ed Dziubinski, Paul Marsden.

The ever-powerful Marysville High track team is a sure bet this year to win an unprecedented 10th straight SCAL title. Led by standouts such as Jim Kustowski, who, as a sophomore, broke the record for the 440 in :52.8, our team is as strong as ever.

Head coach Bob Sullivan has led us to 4 straight titles and, with a little effort, our team can make it 5 straight.

Some of the boys we can count on for points this year are George Shain, Marty Reynolds, Chuck Reynolds, Dan Killbourne, Ed Bromley, Tom Smith, and Frank Quinlan in the field events; Gary Fraser, Jim Giroux, Chuck La Fave, Ron Goodin, Bill Teeple, and Gary Stroh in the sprints; and Jim Kustowski, Ken Stroh, Ed Dziubinski, Greg Mills, Kim French, Paul Marsden, and Gerald Eagan in the longer events.

Front row: Chuck LaFave, Ed Bromley, Ken Stroh, Jim Giroux, Back row: Kim French, George Shain, Jim VanWormer, Marty Reynolds.

Front row: Dan Kilbourne, Gary Fraser, Bill Teeple, Gary Stroh. Back row: Frank Quinlan, Ron Goodin, Chuck Reynolds, Jim Kustowski.

Some of our freshman hopefuls.

Front row: Tom Reeves, Chuck Delke, Al Sturdevant, Mike King, Back row: Dennis White, Jim Blackney, John Zdral, Tom Smith.

Our assistant coaches, Jim O'Neil and Joe Chapman, and our head coach, Bob Sullivan, help to mold our team into championship form.

1964 SCAL Baseball Champs

First row: Bob Visga; Bob Minor; Don Joslyn; John Zalewski; Bob Badley. Second row: Tom Smith, George Popa; Norm Bellinger; Jay Weymouth; Mr. Pake, Coach. Third row: Steve Plunkitt; Tom Quinlan; Ron Goodin; Bill Schnuphase; Phil Neal.

Our spectacular baseball team, spurred on by last year's championship title will again try to achieve such a title.

Strong pitching, high batting averages, and speed, speed, speed will make the difference this year. We'll have plenty of all from the newcomers and our hard, seasoned veterans.

Hail to the '65 SCAL CHAMPS!!

Senior Line up

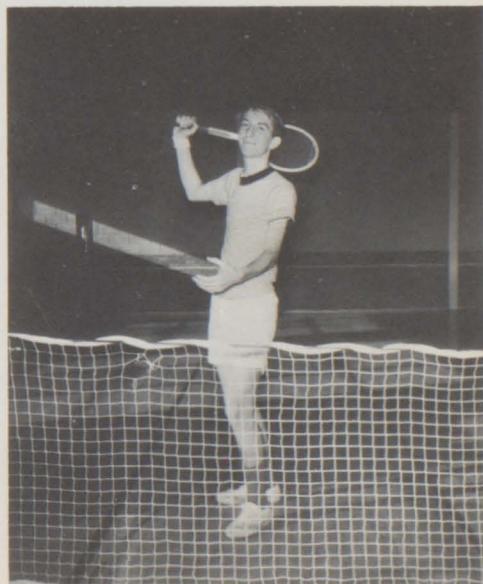

Newcomers, the hope
of '66

The tennis team made a fine showing last year under the direction of Coach Jorm Simpson. Marysville, after a hard fought season, placed second in the league dual-meets. The team took first in the SCAL tennis tournament, with Larry Chasey-Sandy Simons and Mike McLellan-Jim Underwood nailing down first and second respectively in doubles competition. We captured third place in regional play. After finishing first in the regional doubles championship, the Chasey-Simons duo advanced to the semi-finals in the State tournament.

1965 looks to be another fine season for our net men. With seven returning seniors and a very promising group of underclassmen, the tennis squad has all the possibilities of being a top-notch team again this year.

Service with
a smile!

CLASS OF 1965

Memories

Graduation will soon be here,
And as we near the closing year,
We've happy memories of days gone by,
That we have shared at Marysville High.

Teenage dances were so much fun.

Football games we lost and won.

MacDonald's Drive-in was do or die.

Yes, they're all a part of Marysville High.

Meeting in the hall between each class,

Walking home after school ---

All the exams we didn't pass,

And that teacher we could never fool.

High School plays and Senior Government Day,

Filled with laughter in every way.

But in secret, our hearts will cry ---

On that day when we'll say good-bye to our
dear old Marysville High.
